RE: DECEMBER RACE MEETING 2010

Dear All

It is with great regret and disappointment that we had to cancel this month's race meeting, due to the adverse weather conditions. The decision to cancel any race meeting is not taken lightly; and our number one priority when taking such decisions is the safety and security of our members.

We would like to take this opportunity to say a very big thank you to everyone who attended and attempted to attend this month's race meeting. The dedication and determination shown by our team, support staff and members is testament to why Camberley Kart Club (CKC) remains one of the most legendary clubs today.

We know a number of you have expressed concerns on how CKC intend to calculate the end of year championship and we would like to clarify some of the key points. CKC operates a "Ten Best Scores" policy, which has been designed to allow racing members to utilise their best scores of the year. As CKC normally operate 12 meetings all year round, our "Ten Best Scores" policy provides contingency in the event a meeting is canceled or a racing member is unable to attend.

Your committee reviews policies each year and it is their mission to agree transparent policies that are fair for all members. As we are a members' club it is important that we continue to have the interests of our members at the heart of everything we do. Therefore, we would like to personally welcome members to our AGM in January, where any suggestions for improvements to your club can be presented.

Despite the adverse weather conditions this December, we do hope you have enjoyed your racing at Blackbushe in 2010. On behalf of the whole team we would like to wish you all a Merry Christmas and a Happy New Year, and we look forward to welcoming all of our members back in January 2011.

Very best wishes
