

Pit Space Allocation – 2024

- Pit spaces may be reserved for use on race day.
- Reserved spaces may be end-to-end or side-by-side.
- Each entrant may use one or two numbered blocks.
- When allocating reserved spaces it will be on a first come first served basis.
- Allocated spaces are at a cost of £90 per year (Jan to Dec) for two adjacent numbered blocks. (see page 2).
- If on race day you are NOT 'signed on' for that meeting then your pit space will be re-allocated unless prior arrangements have been made with the Competition Secretary.
- On race day any allocated spaces that are un-occupied at 08:30 will be re-allocated. (if you are likely to be late arriving then please advise the Competition Secretary).
- Vehicles not directly associated with pit bay activities may be asked to move to alternate parking on race days and during events where there are increased numbers of entrants and space is at a premium.
- Additional vehicles, whether support or visitor must be parked in the upper car parking area.
- ALL spaces are considered un-allocated on a practice day apart from areas occupied by on-site services or traders.

Pit Space Allocation – 2024

As at 30th April 2024 @ 10:00
